TRADEMARK

(1) *Riedel*

(2) **RIEDEL**

The RIEDEL TRADEMARK dates from the Art Nouveau period at the end of the nineteenth century, and was used for RIEDEL glassware made in Bohemia from 1890 to 1925. In 1996, to commemorate RIEDEL'S 240th anniversary, we reintroduced this trademark for all our handmade and hand-finished products. The distinctive RIEDEL signature is now featured on the base of all these products. This signature trademark (1) helps our customers to distinguish immediately between handmade, hand-finished products and those made by machine (2). Our machine-made products carry this trademark. The RIEDEL glass dynasty is built on the creative energies of a long line of glassmakers. The story begins in 1756 in Bohemia and continues right down to the united Europe of today, taking in on the way some of the most dramatic events in European history.

WINE CRITIC ROBERT M. PARKER JR. OF THE WINE ADVOCATE:

"The finest glasses for both technical and hedonistic purposes are those made by RIEDEL. The effect of these glasses on fine wine is profound. I cannot emphasize enough what a difference they make."

Michel Bettane, GUIDE BETTANE ET DESSEAUVÉ:

"It takes a great deal of effort for a talented winemaker to produce a good wine. These efforts can be ruined in no time if the wine is not served properly."

The quality of the glass plays a crucial role here and RIEDEL produces the largest range of high quality glasses, specifically fine-tuned to fit the predominant wine varieties of the planet. RIEDEL makes it possible to fully appreciate all the nuances of aromas and tastes from the best wines of the world."

TIME MAGAZINE:

"The RIEDEL family has never stamped its name on a single bottle of wine. But over the past 50 years, this Austrian clan of master glassmakers has done more to enhance the oenophile's pleasure than almost any winemaking dynasty."

ABOUT RIEDEL CRYSTAL

- RIEDEL CRYSTAL (established 1756) has been producing glass in the heart of Europe for over 265 years and for eleven generations.
- Family owned and operated by GEORG J. RIEDEL (10th generation) and MAXIMILIAN J. RIEDEL (11th generation).
- RIEDEL is recognized worldwide for designing and producing the highest quality glasses and decanters for the enjoyment of wine and spirits.
- Top-rated wineries and restaurants throughout the world use RIEDEL.
- RIEDEL produces collections for every lifestyle and price range, whether for critical wine evaluation, a picnic or dinner. There is a series for every wine lover.

AT RIEDEL, CONTENT COMMANDS SHAPE

Perfectly designed glassware enhances the aroma and the flavor of all aromatic beverages.

- In the late 1950s, CLAUS J. RIEDEL was the first person in history to introduce and develop wine-friendly stemware.
- Wine-friendly stemware translates and delivers the bouquet, taste, balance, and finish of a wine to the senses.
- Based on this principal, RIEDEL introduced the concept of grape-specific glassware.

WHY SHAPE MATTERS

- Stemware consists of three parts: the bowl, stem and base.
- The height of the stem and the width of the base are part of the glass design (known as the architecture).
- Grape varietal specific stemware features finely-tuned glass bowls consisting of three variables: shape, size, and rim diameter.
- Grape varietal specific stemware has to translate the "message" of wine to the human senses.

THERE ARE 4 SENSATIONS IN WINE:

1. **Bouquet:** Grape varietal specific stemware is responsible for delivering the quality and intensity of the wine's aroma.
2. **Texture:** Grape varietal specific stemware highlights the exciting and diverse styles of „mouthfeel“ in wine (watery, creamy, silky, velvety).
3. **Flavor:** Grape varietal specific stemware creates a balanced interaction between the fruit, minerality, acidity and bitter components of a wine.
4. **Finish:** Grape varietal specific stemware offers a pleasant, seamless, harmonious, and long lasting aftertaste.

THE ARCHITECTURE OF STEMWARE

Comprises three parts: bowl – stem – base.

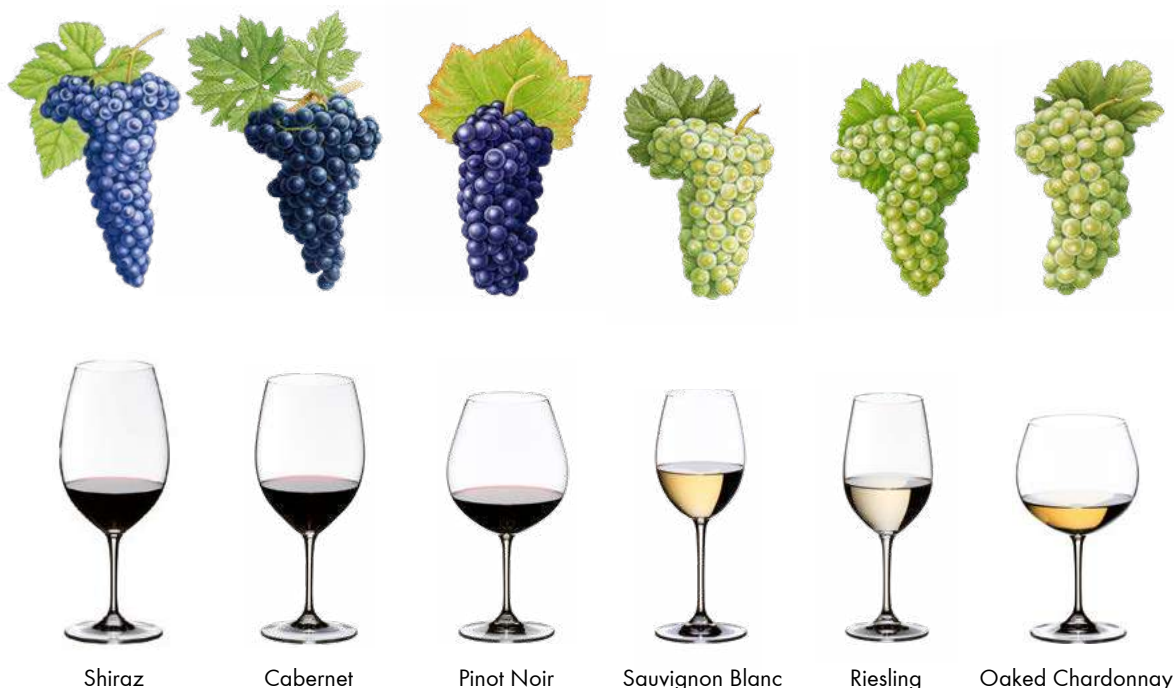

The design (architecture or construction) of a stemmed glass must ensure that the size, height and width are in perfect harmony. The size of the bowl has to be in proportion to the height of the stem and the width of the base. Respecting the exact ratio between these dimensions ensures the glass is correctly and seamlessly proportioned. Table top “classics” are composed using the magic “golden architectural formula”. Early glass architecture, around 1920, took the lead, spearheaded by three Viennese architects (Loos, Hoffmann, Ertl). CLAUD J. RIEDEL’s designs from the late 1950’s, reestablished and took on this concept, which combined with influence from French and Irish classics resulted in stemware featuring this “construction”, which is so pleasing to the eye.

SERVING TO MAXIMIZE ENJOYMENT

- Glass hygiene: Serve beverages only in sparkling, clean, odorless glasses.
- Serving temperature: Do not over-chill white wines and sparkling wines; serve red wines below room temperature.
- Serving per glass: Maximum 3 to 6 oz / 100 to 125 ml. Never over-pour the glass.
- The ample, gracious glass volume offers great wines the room to breathe and to express the unique message of the aroma.

SELECTING THE RIGHT RIEDEL GLASS

Offers the option of either ‘varietal specific’ glasses, for dedicated wine lovers, or ‘wine friendly’ glasses, for informal wine drinkers. When choosing a grape varietal specific RIEDEL glass, consider that it is designed for, and performs at its best with, a specific type of wine. A grape varietal specific RIEDEL glass is a wine tool – ‘the key to wine’ – shaped to unlock the most elusive characteristics. Visit our Wine Glass Guide at RIEDEL.COM to identify the right glass for your wine.

IS THERE ONE GLASS FOR ALL MY WINES?

The most versatile shapes for red and white wines are found in the RIEDEL Wine Friendly Collection and the GRAPE@RIEDEL Collection. However, it's important to remember that the shape of the glass does matter for maximum intensity and total enjoyment of wine.

DOES ONE GLASS FIT ALL?

One glass can never provide the optimum experience for all styles of wine. A wine's bouquet, taste, balance and finish are all influenced by the shape of the glass from which it is consumed. A wine will display very different characteristics when served in different glass shapes. These differences can be so great, that even experienced wine connoisseurs have believed that they are tasting as many different wines as there are different glasses. RIEDEL has created shapes that specifically enhance a wine's harmony and highlight its unique characteristics. Grape varieties carry in their DNA unmistakable flavor profiles, which add to the importance of selecting the appropriate glass. Wines have two, three or four flavor contributors which are associated with the fermentation.

RIEDEL has extensively researched the impact of the size and shape of the glass across all popular grape varieties, leading to the conclusion, on which the world's wine experts agree: the aroma, taste, texture, finish and enjoyment of wine, is maximized by using the correct 'WINE TOOL'.

Two-flavor contributors: floral white wines – aroma and taste are dominated by fermented grape juice and the flavor of yeast.

RIESLING GRAND CRU
(13-3/8oz, 380ccm)

Three flavor contributors: oak-aged white wines – aroma and taste are dominated by fermented grape juice, the flavor of yeast, and oak influence (malolactic fermentation, gentle wood flavors combined with ageing and aeration).

**MONTRACHET/
CHARDONNAY**
(18-3/8oz, 520ccm)

Four flavor contributors: oak-aged red wines – aroma and taste are dominated by fermented grape juice, the flavor of yeast, maceration (fermentation of the skin and juice) and oak influence (malolactic fermentation, gentle wood flavors combined with ageing and aeration).

CABERNET

HANDMADE/HAND-FINISHED PRODUCT

The origin of blown glassware dates back 2000 years. The Romans were the first to use this technique. At RIEDEL, in Kufstein, we produce handmade and hand-finished crystal glassware. Each hand-made and handmade item is individually crafted/hand-finished by our master glassmakers. The expertise of these craftsmen guarantees that the quality of each glass meets the high standard for which our brand is known. Because of the handmade/hand-finishing, small tolerances in the size and weight of each glass, tiny bubbles/imperfections and slight surface variations are a feature and an acceptable part of the process.

WHY SHOULD I USE A DECANTER? HOW WILL DECANTING ENHANCE MY WINE EXPERIENCE?

- **There are two reasons why we decant wines:**

1. Decant an older wine to separate it from its sediment.
2. Decant a younger wine to increase aeration, revealing more complexity, and opening up aromas and flavors.

- To enjoy young wines fully (up to 10 years for both red and white) consider opening them 8–12 hours prior to consumption for aeration, or decant the wine, as this shortens the aeration process.
- The main preservation element in wine is carbon dioxide, which is integrated with the wine during the first (= alcoholic) fermentation.
- Decanting reduces the amount of carbon dioxide and “matures” the wine, allowing the bouquet to develop faster.
- On the palate, decanted wine expresses higher levels of fruit in red wines and tends to integrate and smooth out tannins.
- When decanting young wines, turn the bottle directly into the decanter and let it splash into the vessel to maximise aeration.
- When decanting off the sediment of an old wine, slowly pour the wine into the decanter without allowing any sediment to leave the bottle.
- Suggest the customer considers trying the following exercise: *Using identical glasses, decant half the bottle and serve the other half directly from the bottle – then draw your own conclusion.*

CHRISTIAN MOUEIX, PRESIDENT OF THE NÉGOCIANT HOUSE ÉTABLISSEMENTS JEAN-PIERRE MOUEIX:

“I prefer to decant wines, both young and old. It is a sign of respect for old wines and a sign of confidence in young wines. Decanting old wines, just a few moments before they are served, helps to ensure that the wines’ clarity and brilliance are not obscured by any deposit that may have developed over time. Decanting young wines several hours before they are served gives the wine a chance to bloom and attain a stage of development that normally requires years of ageing.”

Rules when handling connoisseur glasses

1 Filling the glass

Do not over-pour. This will ensure maximum development of the wine's bouquet, and also provide the most elegant table setting.

2 Holding the glass

The appropriately filled glass should always be held by the stem rather than the bowl.

3 Swirling the glass

Carefully swirling the glass allows oxygen into the wine by increasing its surface area and helps release the wine's rich, mature aroma.

4 Why and how to decant wines

To decant wine means to transfer it from its bottle to a decanter or carafe before drinking. During storage or aging, wine can develop a solid deposit or sediment at the bottom of the bottle. Decanting is an easy means of separating the sediment from the wine. It also helps the wine breathe, as the greater surface diameter lets more oxygen reach the wine than the bottle does.

5 Wine temperature

Before decanting/or serving wine, store it at appropriate temperatures (red wine 59–63°F, 15–17°C, white wines at 50–54°F, 10–12°C). The proper serving temperature enhances the quality of the wine by allowing it to fully develop its characteristic aromas and flavours.

In the event that Customer, as determined by TG in its sole discretion, is found to have violated any part of **Clause 2.6., 2.10., 2.11., 2.12., 2.13 or 2.14**, TG shall be entitled to suspend or terminate Customer's status as an authorized purchaser and/or reseller of the Products with immediate effect, and TG reserves all rights and remedies it may have against Customer that may be available to TG pursuant to the T&C, any other agreement entered into or otherwise governing the relationship between TG and the Customer, applicable law, or otherwise.

2.16. TG does not provide Customers with any kind of marketing support, unless decided by TG in its sole discretion on an individual case-by-case basis. In the event that TG elects to grant any kind of marketing support to Customer, under no circumstances shall TG be obligated to complete or otherwise continue such marketing support or provide any future marketing support. In the event that for any reason, as determined by TG in its sole discretion, the Customer's status as an authorized purchaser and eventually reseller of the Products, as applicable, is suspended or terminated, TG reserves the right to terminate any marketing support with immediate effect or until further notice, and TG will not accept any invoice deductions for marketing support following any suspension or termination. Under no circumstances and at no time shall Customer be entitled to reimbursement for any kind of investments, or for any costs/expenses of promotional events or of promotional material of any kind whatsoever regarding the Brands (see Clause 3.2), irrespectively if Customer organized such events itself or via third parties or purchased such material from TG or from a third party.

3. Customer Obligations.

Customer hereby agrees at all times to observe and abide by the obligations (the "**Customer Obligations**") as outlined in this **Clause 3**.

3.1. Retail-Customers may sell Retail Products received from TG to end-consumers. Active sales to certain groups of resellers or to any kind of resellers in certain territories,

GENERAL TERMS AND CONDITIONS OF CONTRACT OF TIROLER GLASHÜTTE GMBH 2025 ("TG").

which TG has reserved for itself or exclusively allocated to third party dealers are prohibited. The groups of resellers and territories reserved or exclusively allocated in this way are listed in Annex 3.1. TG shall inform Customer of any changes in a timely manner. These restrictions on active sales must be observed not only by the Customer itself, but also by its direct customers. Customer shall impose these restrictions on active sales on its direct customers.

Passive sales are excluded from the above restriction.

Regulations in the selective distribution system remain unaffected by this Clause 3.1.

3.2. Customer acknowledges its obligation to maintain and promote the extremely high standard of the Products' reputation as comprising some of the world's finest glassware, the goodwill symbolized by the "Riedel", "Spiegelau" and "Nachtmann" brands (the "Brands"), and the associated trademarks (together the "Trademarks") and trade dresses and Products, and to further refrain from any conduct that could be viewed as disparaging on the image of the Products, the Brands, the Trademarks, TG and its affiliates, and shall include, but shall not be limited to, the selling of the Products to or via low-cost mass merchandisers or low-cost discount stores that were not specifically authorized by TG in writing, and the selling of the Products next to other goods that are infringing upon the intellectual property rights of TG or of its licensors.

3.3. Customer will conduct and maintain at all times its business as it relates to the Products in compliance with the T&C, and all applicable laws and regulations. Customer agrees not to engage in any unfair trade practices.

3.4. Customer will comply with all quality control standards, including, but not limited to, advertising, storage, and shipping requirements, as notified from time to time by TG. Any changes made by TG to such standards will apply to future Orders placed following such notification.

3.5. Customer will comply with the Riedel Corporate Branding Policy & Quality Standards. TG reserves the right to change the Riedel Corporate Branding Policy & Quality Standards from time to time in its sole discretion by notification to the Customer, with any such changes applying to future Orders placed following such notification.

3.6. If Customer is found, as determined in TG's sole discretion, to have culpably breached (even in part) any of Customer's obligations contained in Clause 3, Customer shall indemnify TG against any costs and liabilities, including litigation costs and attorneys' fees incurred in the defense of any civil, criminal or administrative action, complaint or claim against TG, its affiliates or its officers, employees or agents arising out of a breach of any provision of Clause 3.

3.7. If Customer is found, as determined in TG's sole discretion, to have culpably breached (even in part) any of Customer's obligations contained in Clause 3, TG shall, in its sole discretion, be entitled to suspend or terminate Customer's status as an authorized purchaser and/or reseller of the Products with immediate effect, and TG reserves all rights and remedies available to TG under the T&C, any other agreements entered into or otherwise governing the relationship between TG and the Customer, or applicable law, or otherwise. In such cases, TG is also entitled to cancel confirmed Orders.

4. Prices.

4.1. The prices for the Products and/or services are as set out in the respective applicable Price Books and Payment & Delivery Terms provided to Customer by TG from time to time. TG in its sole discretion, reserves the right to change the Product assortment and/or the service assortment as well as the prices for the Products and/or services at any time, with such changes applying to future Orders placed.

4.2. All prices are stated in Euro, or – at TG's sole discretion – in another currency depending on the Customer address. Unless otherwise stated in the respective applicable Price Books or Payment & Delivery Terms all prices are stated net per sales unit, EX WORKS („EXW“, INCOTERMS 2020) TG warehouse ("EXW TG Warehouse"), Germany, excluding the shipping packaging. Prices are exclusive of statutory VAT or other taxes, fees or duties. If VAT is payable, it will be stated separately in TG's invoice. TG issues its invoices in Euro, or – at TG's sole discretion – in another currency depending on Customer's address, whereby the prices applicable at the time of the Order shall apply.

4.3. Unless otherwise agreed in writing with the Customer, TG shall choose the shipping packaging at its own discretion. The Customer shall be invoiced for crates, Collico containers, cartons, etc. If VAT is incurred for the provision of the shipping packaging, this shall be shown separately in the TG invoice in accordance with the applicable statutory provisions.

4.4. If Products are dispatched at the Customer's request, the Customer will also be invoiced for the shipping costs (see Clauses 6.3. and 6.4.).

5. Terms of Payment.

5.1. The **payment terms** are regulated in the respective applicable Price Books and Payment & Delivery Terms. TG in its sole discretion, reserves the right upon notice to the Customer (a) to change the payment terms at any time, with such changes applying to future Orders placed, and/or (b) to suspend or refuse fulfilment of any contract with Customer, if in the opinion of TG, this is necessary due to Customer's financial situation or payment history.

5.2. TG may ask for a payment confirmation to be issued by a bank accepted by TG. Payment will be deemed effected as soon as TG is able to freely dispose of the same at its registered office. If payments are effected in freely convertible currencies other than the invoicing currency, Customer will bear the exchange rate risk. Any bank charges

in connection with payments are at Customer's expense. Customer acknowledges its obligation to pay default interest of 11% p.a. as of the due date.

5.3. Any claims, counterclaims or claims for compensation of Customer shall not entitle Customer to any extension of the period stipulated for payment, nor shall any such claims or counterclaims serve as a set-off against or otherwise be used to justify non-payment of all amounts owed to TG by Customer. Notwithstanding this, offsetting is possible if the claim, counterclaim or claim for remuneration is undisputed or has been recognized by declaratory judgement.

5.4. An eventually granted cash discount may only be deducted, if all outstanding invoices have been fully paid by Customer.

5.5. TG is not obliged to accept checks or bills of exchange; they will only be credited as payment subject to them actually being honored to the value to which they are at disposal. All costs incurred in connection with acceptance of bills of exchange or checks, in particular discounting charges and interest, shall be borne by Customer.

5.6. Each delivery by instalment shall be deemed an independent transaction for billing and payment purposes.

5.7. If (a) Customer defaults in payment under the T&Cs and has not remedied that failure within five (5) calendar days; OR (b) all or substantially all of the assets of Customer are sold or otherwise transferred; OR (c) there is a change in control with respect to Customer; OR (d) the legal form of Customer is changed; OR (e) in the reasonable opinion of TG, Customer's financial situation changes or deteriorates materially (e.g. a bill of exchange or cheque provided by Customer is not honored); OR (f) at any time TG considers (acting reasonably) that Customer is a credit risk, THEN:

(i) Customer's account will be put on immediate and automatic credit hold, and TG will not accept any new Orders and/or process any new or existing Orders of the Customer; (ii) all outstanding accounts receivable, also under bills of exchange, will become due for immediate payment irrespective of their due date; and (iii) TG shall be entitled to suspend (until the matter has been resolved or the outstanding amount including interest has been credited to the TG's account), terminate or cancel all current contracts and/or Orders; and (iv) TG shall be entitled to stop all deliveries to Customer, to request damages from Customer in lieu of performance, require pre-payment or proper security before making any delivery, or effect delivery only against full cash amount payable on delivery (if Customer has already advanced any payments in relation to terminated or cancelled Orders, TG will refund those amounts or allocate/offset them accordingly); and (v) TG will retain title to Products that have not been paid for as described under Clause 12. and TG may consequently demand the return and collect any such Products that are in the possession, custody or control of the Customer.

6. Terms of Delivery and Passing of Risk

6.1. The **delivery terms** applicable to Customer are regulated in the respective applicable Price Books or Payment & Delivery Terms. TG in its sole discretion reserves the right upon notice to the Customer to change its delivery terms at any time, changes applying to future Orders placed.

6.2. Unless otherwise stated in the respective applicable Price Books or Payment & Delivery Terms or agreed in writing by TG, all deliveries will be effected EXW TG Warehouse, Germany, per address RSN Logistik GmbH, Weiden i.d. Of., Germany.

6.3. In case the respective applicable Price Books or Payment & Delivery Terms offer accordingly and if so requested by Customer and agreed in writing by TG, Products can be shipped to a different destination at Customer's cost and sole risk. Save when otherwise agreed, TG is entitled to determine the kind of shipment (in particular the forwarding agency, shipment route, packaging).

6.4. If Products are shipped to a different destination upon Customer's request and TG's written confirmation, the risk shall pass to Customer on the Products' handover to the person designated to carry out shipment. Customer shall assume all risk to Products during transportation thereof, TG shall not be obligated to replace or credit Customer for Products that are stolen, lost, broken, damaged, or otherwise altered during or as a result of their transportation, and Customer shall be solely responsible for filing any and all claims for loss or damage with the responsible entity or entities.

6.5. Deliveries will be made by TG according to its operational capabilities. Communicated lead-times refer to EXW TG Warehouse dates and are estimates only and are not binding; lead-times for Special Orders and Limited Editions will be communicated to Customer on a case-by-case basis, also refer to EXW TG Warehouse dates and are estimates only and are not binding. To the extent permitted by law, TG shall not be liable for failure to meet these non-binding lead-times. Claims for damages in this respect due to non-performance or late performance are excluded, and the Customer waives all claims against TG and its affiliates for damages and other liabilities arising out of or due to actual or alleged non-performance or late performance by TG.

6.6. TG will observe commercially reasonable efforts in its observance of the T&C, which observance shall be subject to unforeseeable events or events not otherwise contemplated by the T&C. TG will not be responsible for any delay or failure to perform its obligations under the T&C or otherwise, which arises out of or is due to unforeseeable events or events independent of the intention of the parties, such as events of force majeure ("Force Majeure Event"), including, by way of example and not of limitation, all events of pandemics, epidemics, war, terrorist actions, interventions, instructions and prohibitions of official authorities, delays in transport and customs clearance, transport damage, inclement weather, lack of energy, financial crisis, labor conflicts as well as delays in delivery on the part of suppliers for any reasons. Delivery times shall be extended

GENERAL TERMS AND CONDITIONS OF CONTRACT OF TIROLER GLASHÜTTE GMBH 2025 ("TG").

accordingly reasonably in the event of Force Majeure, whereby TG may also cancel the delivery in whole or in part after the expiry of three (3) months after the occurrence of the Force Majeure Event, unless there is merely a temporary impediment to performance. The agreed payment terms shall remain unaffected. In the event of a full or partial cancellation, TG will inform the Customer immediately thereof, and eventual payments made by Customer in advance shall be reimbursed in the corresponding proportion or shall be offset against outstanding receivables.

6.7. Retail Products are shipped in brown master packs (order units). The purpose of the master pack is to protect the inner packaging from scratching and other damages only. Customer acknowledges that a master pack is not designed to be used as a re-shippable outer carton and may not be used as such. If in spite of the foregoing, a master pack is used for re-shipping of Products, the shipping of those Products shall be at Customer's own risk and TG shall have in this respect no liability to the Customer in connection with any damage to those Products.

6.8. The cost of any requested or necessary special packaging and/or the use of special packaging materials for the Products are at Customer's sole expense even if these costs may not be listed in a Price Book or quotation. Customized packaging shall not be offered or provided to Customer unless Customer and TG enter into a separate agreement duly signed by the parties in relation to such customized packaging.

6.9. Regarding Special Orders, TG reserves the right to supply the quantity deviations of +/-5% of the quantity ordered (the "**Permitted Deviation**"), which is customary within the industry. Provided that TG's fulfillment of any Special Order is within the Permitted Deviation, the quantity actually delivered shall be paid for by Customer in full.

6.10. If, pursuant to any Order Confirmation, Products are to be picked up by Customer at a TG warehouse, TG will advise Customer about twenty (20) business days in advance of the delivery date. Partial deliveries of an Order (i.e. deliveries by instalments) are permitted. Customer shall pick-up all available and prepared Products, including partial deliveries of an Order, within ten (10) business days as of the communicated delivery date. If Customer informs TG that Customer will not collect the respective delivery or if Customer fails to pick such delivery within this ten (10) business days window, TG shall be entitled to either (a) partially or in total cancel the respective Order or (b) to store the Products at Customer's cost and risk, whereby delivery to Customer shall be deemed fulfilled and will be invoiced, and to charge warehousing fees for storage of such Products in a customary amount. In the event of cancellation, TG will inform the Customer thereof without delay, and refund or offset against outstanding receivables any payments for the cancelled Products that have already been received.

6.11. If, pursuant to any Order Confirmation, Products are to be shipped to a different destination upon Customer's request (see Clauses 6.3 and 6.4) and are ready for shipment, but cannot be shipped through no fault of TG, or if Customer does not want such Products to be shipped, TG is entitled at its sole discretion to either (a) partially or in total cancel the respective Order, or (b) to store the Products at Customer's cost and risk, and TG is entitled to charge warehousing fees for storage of such Products in a customary amount. In the event of cancellation, TG will inform the Customer thereof without delay, and refund or offset against outstanding receivables any payments for the cancelled Products that has already been received.

6.12. If Customer purchases Products for export, Customer shall bear sole responsibility for proper customs clearance. Upon request, the Customer shall provide TG with evidence of respective customs clearance in a proper form.

7. Partial Delivery.

Deliveries by instalments (i.e. partial deliveries) shall be permitted and may be invoiced. If TG delivers any of the Products by instalments, and any one of those instalments is defective/non-compliant for any reason (as defined in Clause 8.), it is not a repudiation of the contract of sale formed by the T&C.

8. Notice of Defects, Warranty.

8.1. Any defect claims or non-compliances with the contract must be made in writing within **twenty-eight (28) calendar days** from the date of delivery of the Products and in any event prior to their use or re-sale. If there is no such notification of TG, the Products shall be deemed accepted by Customer, unless the defect was not discernible in the examination. Latent defects shall be notified without undue delay after their discovery; otherwise, the Products will be deemed accepted by Customer as well in view of these defects.

8.2. Any defects or non-compliances with the contract shall be notified to TG in writing, including a detailed description and photos of the defects or the non-compliances. TG will provide the remedy described in Clause 8.8 if there are any defects/non-compliance in any Product (including any partial delivery), which are noticeable in the course of due inspection of the Product at the time of delivery which are notified in writing by Customer to TG within twenty-eight (28) calendar days from the date of delivery of the Product or in the case of latent defects immediately after they are recognized (the "**Defective Product**"); otherwise to the maximum extent permitted by law the Products shall be deemed accepted by Customer. Claims under this Clause 8. will be subject to a review and approval process.

8.3. Customer must keep any Defective Products in its possession until TG has sighted the Defective Products and either approved or rejected the Customer's warranty claim under this Clause 8. The inspection can be done either by photos, by on-site inspection or by collecting the Defective Products. The burden of proof lies with Customer in all cases.

Warranty claims under this Clause 8 shall be notified to TG using the contact information: Tiroler Glashütte GmbH, Weissachstrasse 28-34, 6330 Kufstein, Austria, info@riedel.com.

8.4. Customer shall assume all risk to Products during transportation thereof. TG shall not be obligated to replace or credit Customer for Products that are stolen, lost, broken, damaged, or otherwise altered during or as a result of their transportation, and Customer shall be solely responsible for filing any and all claims for loss or damage with the responsible entity or entities.

8.5. Any defects or non-compliances caused as result of a Force Majeure Event are excluded from TG's warranty.

8.6. For glass cladding a warranty of 2 (two) years as of the respective production date (according to bottom stamp on Product) is granted. No warranty is provided for mechanical damages to the surface.

8.7. Customer acknowledges that deviations may occur between Products from the same series for technical reasons and because of the materials used in the course of the production of glass products, in particular with respect to size, weight, ovality, or the vertical axis, which cannot be influenced by TG. Handmade Products or handmade Product parts may be subject to sample and size deviations. Therefore, all such deviations between Products, in particular compared to drawings or earlier deliveries of the same Product, do not constitute any defect. Customer further acknowledges that due to the handcrafting involved in the making of some decanters and glassware, tiny bubbles, slight imperfections, surface variations, and small tolerances in the size and weight of each piece, are a feature and acceptable part of the process and do not constitute any defect.

8.8. In case of a valid claim in respect of any Defective Product, and subject to Clauses 8.4, 8.7, 8.10, 8.11, 8.12 and 8.13, TG will, at its sole discretion, either arrange delivery of a replacement Product (subject to its operational capabilities) or issue a credit note for the price paid by Customer to TG for the Defective Product, but not both. If TG chooses to arrange delivery of a replacement Product (or otherwise requires the Customer to return the Defective Product), Customer is required to return the Defective Product at Customer's cost and risk to the warehouse determined by TG.

8.9. Any and all other warranty claims of Customer shall to the extent permitted by law be excluded.

8.10. The rights described in Clause 8.7 do not apply and TG will not replace any Products broken or damaged if master packs are used for shipping (see Clause 6.7).

8.11. Damaged packaging is not replaceable or refundable.

8.12. The rights described in Clause 8.7 do not apply if a defect/non-compliance arises because Customer fails to observe TG's or a manufacturer's Product or Product packaging instructions, recommendations or guidelines, in particular instructions, recommendations and guidelines for processing, handling, cleaning and use of the Product, or by failing to observe generally accepted Product use practices.

8.13. Decorations of any kind not been made or commissioned by TG, such as engravings, silk-screenings etc., are the sole responsibility and risk of Customer. TG will not be responsible and shall be excluded from any warranty whatsoever, especially but not limited to that heavy metals or other dangerous materials are applied, or if the material used is hazardous to health, or not water-resistant or dishwasher-proof. Customer shall indemnify and hold TG and its affiliates harmless from any and all claims or suits made against TG or against any of its affiliates in connection with any decorations (such as engraving, silk-screening, etc.) made to the Products by the Customer or by any third party not authorized by TG, and all losses, damages, demands, injuries and expenses (including reasonable attorney's fees) incurred by TG in connection with any such claims or suits.

9. Limitations of Liability.

9.1. TG's liability for damages – irrespective of the legal grounds – shall in each case be limited in accordance with this Clause 9.

9.2. Unless expressly provided for in the T&C, TG does not assume any warranties or guarantees beyond the statutory extent with regard to the condition, merchantability, description, quality, suitability or fitness of the Products for a particular purpose, or with regard to design, assembly, installation, materials or processing.

9.3. To the maximum extent permitted by law, TG's maximum aggregate liability under or in connection the T&Cs or their subject matter, whether in contract, tort (including negligence) or otherwise, is limited in respect of each Order to the amount paid by the Customer for that Order.

9.4. TG shall not be liable for any losses that arise if and to the extent that Product or Product packaging instructions, recommendations and/or guidelines, in particular instructions, recommendations or guidelines for processing, handling, use, caring or cleaning of the Products and/or the Product packaging, and/or generally accepted Product use practices are not observed by Customer or its customer or any other person, unless Customer furnishes proof that the damage would have occurred even if the Product or Product packaging instructions, recommendations and/or guidelines had been observed.

9.5. To the maximum extent permitted by law, TG shall not be liable for any losses that arise and shall not be responsible for, and Customer shall indemnify and hold TG harmless from any claims or suits made against TG or against any of its affiliates, and all losses, damages, demands, injuries, costs and expenses (including reasonable attorney's fees) arising out of or related to the purchase, handling, storage, packing, labelling, distribution, promotion, use or cleaning of the Products by the Customer.

9.6. To the maximum extent permitted by law, Customer shall not be entitled to, and

GENERAL TERMS AND CONDITIONS OF CONTRACT OF TIROLER GLASHÜTTE GMBH 2025 ("TG").

hereby releases TG and its affiliates, officers, employees and agents from any additional claims, including but not limited to (a) compensation payments, and (b) compensation for indirect or consequential damages/losses, or punitive damages of any kind, which the Customer or others may suffer, including but not limited to damages (i) for loss of profits or business interruption, (ii) for loss of goodwill, (iii) for loss of savings or opportunity, whether in contract, tort (including negligence) or otherwise.

9.7. TG shall only be liable for damage to the extent that the damage was caused by TG by gross negligence or willful intent. Liability for slight negligence is excluded, except in the case of personal injury.

9.8. In all other respects, TG's liability is excluded. The costs of asserting a claim shall be borne by the Customer.

9.9. The burden of proof lies with Customer.

9.10. TG's statutory liability under the mandatory provisions of the Austrian Product Liability Act (Produkthaftungsgesetz) shall not be limited by the T&C.

10. Returns.

Except for any Defective Product returned in accordance with Clause 8., all other returns are subject to TG's express prior written approval and the following conditions: (a) Special Orders, Limited Editions, Products that were un-or re-packed from the original boxes by Customer, 2 Glasses 1 Bottle Products, Products that have Authorized Packaging Changes or Products that are engraved, decorated or personalized in any other way cannot be returned and will not be reimbursed; (b) returned Products must be part of the current TG Price Books and in unused, mint, resalable condition, packed in the original undamaged boxes and in the original sealed master packs; (c) returns must be shipped within thirty (30) calendar days after having received TG's written prior approval and must be delivered to the warehouse defined by TG, freight, risk and costs at Customer's expense and responsibility; (d) for Products returned in accordance with this Clause 10. the EXW TG Warehouse, Germany, net price paid by the Customer for the respective Product will be credited minus a 15% restocking and handling fee. Any returns not in conformity with the foregoing may be refused by TG and will be not reimbursed.

11. Intellectual Property Rights.

11.1. TG or its licensors hold any and all rights, titles, all goodwill and all other claims and interests of any nature whatsoever, including any and all intellectual property rights such as copyrights, trademark rights, labelling rights, trade secrets, design patent rights, patent rights and/or design rights, relating to the Products, the Product designs, the Product packaging, the glassware samples, the glassware sample designs, the designs of the glassware and of the prototypes, as well modifications, further developments and adjustments thereof, including the respective drawings, tools, moulds, casting forms and Product packaging.

11.2. Any and all Products, samples, drawings and packaging, including the manufacturing drawings, the Product packaging, the Product and packaging samples and prototypes, provided by TG to a Customer are protected by intellectual property rights, namely copyright, trademark rights, labelling rights, trade secret, design patent rights, patent rights and/or design rights, which are held exclusively by TG or by TG's relevant licensor.

11.3. Any and all tools, molds, drawings, plans, and prototypes provided by TG to Customer are the sole property of TG, including but not limited to any and all intellectual property, even if Customer bears the costs of their acquisition in part or in full, and will not be handed over or refunded at the end of any kind of cooperation or contract.

11.4. In order to identify the Products, the Customer shall be entitled to use the Brands and/or Trademarks affixed to the unaltered and originally packaged Products or their packaging. However, by doing so, the Customer does not acquire any rights or licenses to the Brands, Trademarks or other intellectual property of TG or its licensors. The Customer undertakes to refrain from any further use. Customer undertakes to refrain from any other use of the Brands or Trademarks, and any other proprietary material of TG or of TG's relevant its licensor.

11.5. Any use of the Brands, the Trademarks or of any other intellectual property of TG or of TG's licensors, as well as photos or videos thereof, in publications, electronic (internet) advertising, social media pages, or printed matter is only permitted upon prior written authorization of TG. In addition, Customer undertakes not to use any marks or signs that are likely to be confused with those of TG or of TG's licensors, or with "Riedel", "Spiegelau" or "Nachtmann" or similar marks or signs or to have them protected in whatever form, in any jurisdiction.

11.6. Any and all materials and related documentation provided by TG to the Customer together with any and all rights, titles and interests in the intellectual property, including but not limited to the Brands, the Trademarks, or any other proprietary material of TG and its licensors including goodwill and copyright, in and arising from or in connection with the Brands, the Trademarks and the Products, vested therein or related thereto, remain the sole and exclusive property of TG and/or its licensors.

11.7. Any and all materials provided by TG to the Customer such as catalogues, brochures, advertising slogans, packaging, illustrations, drawings, photos, videos, and the like as well as samples and designs always remain the intellectual property of TG or TG's licensors, protected by the relevant statutory provisions regarding reproduction, imitation, competition, etc. Customer undertakes not to make such material and documents available to third parties, either in whole or in part, without TG's prior written authorization or to use them for any purpose apart from the purpose for which they were

handed over to Customer.

In case an authorization is granted allowing Customer to make such material and documents available to third parties, Customer shall be obliged to impose all obligations arising out of the T&C that are relevant to such material and documents upon such third party. Customer remains liable to TG for any acts or omissions of such third party, and Customer shall hold TG and its affiliates harmless from any and all claims and expenses (including reasonable attorney's fees) arising out of or related to any such acts or omissions. If no Order is placed and/or upon the request of TG, Customer must return all material and documents provided by TG.

11.8. Any use of the Brands, the Trademarks or of any intellectual property rights of TG or of TG's licensors as e-mail address or domain name or on social media platforms such as Facebook, X, Instagram, TikTok etc. or any setting up of a "Riedel", "Spiegelau" or "Nachtmann" account on any social media platforms is only permitted upon TG's explicit prior written approval.

12. Retention of Title.

12.1. TG shall retain title to the Products and samples delivered to Customer until full payment for them (including any applicable interest) has been received by TG.

12.2. However, Customer is entitled to resell the Products in the ordinary course of its business in accordance with the terms of the T&C. For Products which have not been paid for yet are sold to a third party, Customer shall assign to TG the relevant receivable payable by that third party. TG shall be entitled to disclose the assignment. Customer shall immediately make available to TG all information required in order to pursue such claims and agrees to comply with all formalities that may be necessary for a valid assignment.

12.3. Customer is not entitled to charge, pledge or create a third-party security interest in the Products that have not been fully paid for by the Customer. Customer must claim the title of TG to the Products vis-à-vis third parties and to notify TG immediately in writing if third parties assert claims with respect to the Products or if execution is initiated.

13. Data Protection and Storage, Advertising.

TG shall store and process personal information obtained from the Customer in compliance with applicable privacy laws. Unless the Customer requests otherwise in writing (including through any opt-out mechanism provided by TG), the Customer agrees that such personal information may be used by TG for marketing purposes. For clarity, this right survives termination or expiry of the contract of sale.

14. Severability.

If any provision of the T&C is wholly or partially void or unenforceable, that provision shall be severed from the T&C to the extent that it is void or unenforceable and the validity of the remaining provisions/terms shall not be affected. The Parties shall agree on a new effective provision which comes as close as possible to the economic purpose of the void or ineffective provision without delay.

15. Applicable Law, Place of jurisdiction.

15.1. The T&C and the contractual relationship with the Customer, including their pre- and post-contractual phases and effects, shall be governed exclusively by **Austrian law**, excluding its conflict of law rules, and excluding those provisions of private international law which would lead to the application of another legal system, and excluding the provisions of the UN Sales Law (CISG - United Nations Convention on Contracts for the International Sale of Goods).

15.2. For disputes arising from the contract concluded with the Customer or the T&C underlying the contract, including their pre- and post-contractual phases and effects, the **District Court of Kufstein, Austria**, or the **Regional Court of Innsbruck, Austria**, shall have exclusive jurisdiction, depending on the subject-matter jurisdiction. However, TG shall be free to sue the Customer at the Customer's place of business. Mandatory statutory provisions, in particular with regard to the exclusive place of jurisdiction, shall remain unaffected.

16. Miscellaneous.

16.1. For the purpose of the T&C, "business days" shall mean those days on which banks are open for general business in Austria.

16.2. A notice, consent or communication under the T&C is only effective if it is in writing, signed or on behalf of the party giving it and it is received in full and legible form at the address or e-mail notified by the addressee to the other party from time to time.

16.3. No waiver of a right or remedy under the T&C is effective unless it is in writing and signed by the party granting it. It is only effective in the specific instance and for the specific purpose for which it is granted. A single partial exercise of a right or remedy under the T&C does not prevent a further exercise of that or any other right or remedy. Failure or delay to exercise a right or remedy does not operate as a waiver or prevent further exercise of that or any other right or remedy.

16.4. A reference in the T&C to a financial year is a reference to each 12-month period commencing 1 January and ending 31 December.

16.5. Unless otherwise stated, a party may exercise any rights under the T&C in its sole discretion.
